

Dive deep into spend analysis with SAP Concur and American Express

In Partnership With

Maximize your Corporate Card program with Program Optimization

Joint clients of Concur® Travel and Expense and American Express can take advantage of Program Optimization, a resource designed to help your business grow by driving savings and compliance.

Program Optimization can help you:

Gain a 360-degree view of all American Express and non-American Express spend captured in SAP® Concur solutions

Link your American Express Corporate Card with Concur® Expense for increased control

Discover more opportunities to shift employee spend to your American Express Corporate Card program

Get more value out of your American Express Corporate Card program

Get started

We're here to help! Contact your SAP Concur or American Express representative for guidance about how to optimize your Corporate Card program.
